# ANNUAL REPORT

FOR THE YEAR ENDING DECEMBER 31st, 1942.

---

*To the General Committee and Subscribers  
of the Lichfield Victoria Hospital.*

The Executive Committee takes pleasure in presenting the Annual Report and Statement of Accounts for the year ending 31st December, 1942—the ninth complete year in the present building.

The total number of In-patients was 829 against 619 last year, and 477 in 1940.

The number of days in hospital was 11,443, making an average of 13·8.

The number of Medical cases was 142 against 191 in 1941 and 130 in 1940.

88 Accidents were admitted, against 95 last year and 80 in 1940; 34 were fractures, 11 burns and scalds.

336 Operations were performed under a general anæsthetic; of these 132 were major, 132 minor, and 72 were tonsil and adenoid. There were 319 last year and 380 in 1940.

42 Operations were performed under a local anæsthetic.

23 Dental cases were admitted.

92 patients occupied Private Wards (77 General, 15 Maternity).

## **Maternity Department—**

177 Maternity cases were admitted against 65 last year and 20 in 1940. 15 patients occupied Private Wards, 39 Semi-Private Wards, and 123 in the Public Ward.

## **Out-Patient Department—**

1,212 patients made 4,779 attendances.

31 Dental out-patients were treated.

**The District Nurse** attended 88 patients, making 2,422 visits.

## **X-Ray Department—**

451 radiographs were taken and 13 screen examinations made.

17 patients attended for Ultra Violet Radiation, making 172 attendances.

20 patients attended for Infra-Red Ray treatment, making 228 attendances.

## Under the Birmingham Hospital Contributory Association Scheme—

286 were admitted as In-patients.  
 533 were treated as Out-patients.  
 137 had X-Rays, and  
 38 were treated on the District.

The normal number of Available Beds is 34 (30 Public and 4 Private) and 2 Cots. In the Maternity Wing there are 4 in the Public Ward, 2 Semi-Private, 2 Isolation, and 2 Private—making a total of 44 and 2 Cots.

Under the Emergency Hospital Scheme the number of Available Beds was increased by 61, so that the possible total is now 106.

## Income.

The total Income for the year is £7504/19/11 as compared with £5594 for the previous year and shews an increase of £1910, and is mainly due to the following :—

Subscriptions were	£436/8/5, an increase of	£63
Donations were	£285, an increase of	£180
Private Wards were	£806/13/0, an increase of	£18
Public Wards were	£458/12/4, an increase of	£207
Maternity Wards were	£1452/13/6, an increase of	£970
E.M.S. Claim was	£1400, an increase of	£463

The amount included in the total income for the E.M.S. claim is £1400 and, as noted above, shews a considerable increase on the claim for last year, but this is due to the increased proportion claimable in respect of fully staffed beds which is a calculated figure based on the number of nurses employed.

## Expenditure.

The total expenditure is £7300 which compares with £6486 and shews an increase of £814, and represents a general increase in all classes of expenditure as follows :—

Provisions	...	...	...	...	...	£139
Nursing Appliances, Drugs, etc.	...	...	...	...	...	£127
Domestic	...	...	...	...	...	£98
Salaries	...	...	...	...	...	£279
This is after deducting a claim for increased nursing staff estimated at £140						
Miscellaneous	...	...	...	...	...	£11
Adminstration	...	...	...	...	...	£61
Repairs	...	...	...	...	...	£62
Rates	...	...	...	...	...	£37

The increase in the expenditure above of £814 is largely offset by the increased claim for E.M.S. of £463.

## **Surplus.**

The result for the year shews a surplus of £203 as compared with a deficiency for the previous year of £891, the main reason for this being the considerable increase in fees from the Maternity Wards.

## **E.M.S. Suspense Account.**

The amount now overpaid is £1023/15/6 and this amount should be wiped out during the present year as the normal monthly payments on account have ceased and are being set off against this overpayment.

## **Building Fund.**

The amount now owing on the Building Fund is £780 as compared with the opening position of £1095.

## **Maternity Block.**

The balance owing to the bank is now £6789 as compared with £6305 at the beginning of the year. £500 has been spent while the amounts from donations are only £15/17/0 and are extremely disappointing.

## **Investments.**

An additional investment was made during the year of £1000 3% Defence Bonds in connection with the Bequest made by Miss Sillitoe.

**Building and Equipment Fund**—£34214 compared with £33835.

**General Fund**—£2662 compared with £2616.

**The Birmingham Hospital Contributory Assoc.** brought us £2072 and £93/2/0 for the services of the District Nurse (last year £2022 and £80/17/6 respectively).

## Events of the Year, and Gifts—

Among many donations were the following :—

Mrs. Heath, our President, £25 to the Building Fund.  
 Lichfield City Police Canteen (proceeds of Vegetable Show) £30/5/0.  
 Mr. W. H. Sharratt £25 (in memory of his sister, Miss Lizzie Sharratt).  
 Lichfield City Institute's Dance realised £5/5/0.  
 Lichfield Home Guards' Dance £30.  
 Lichfield Chamber of Trade £10.  
 Alexandra Rose Day and Hospital Friday (combined collection) £133/3/9.  
 Hospital Sunday brought in £73/8/6.  
 August Bank Holiday Dance £20/9/0.  
 National Farmers' Union (Young Farmers' Dance) £18/3/0.  
 Air Industries Development Dance £20.  
 Wall Garden Guild £3.  
 Employees of J. R. Deacon Ltd. £73/19/9.  
 Messrs. J. R. Deacon Ltd. £10.  
 Employees of Messrs. John Thorneloe & Son £34/3/7.  
 Employees of F. Garratt Ltd. £10.  
 Messrs. F. Garratt Ltd. £10/10/0.  
 Per Mr. B. Laidner (Lichfield Mercury) £8/6/0.

By the death of Mr. J. R. Deacon the hospital has lost a good friend and a generous supporter. When shall we see his like again?

The late Miss Sillitoe of Mount Pleasant left us £1000 for endowment purposes.

The Decontamination Unit having reached completion, training of some of the staff for its use has taken place. Emergency exercises during the year have taken place, and our thanks are due to the stretcher bearers and other participants.

No Pound Day, no Bank Holiday Fête, and no Bower Collection owing to war conditions.

We must not forget to express our indebtedness to the Birmingham Hospitals Contributory Association's great assistance, including in this our great appreciation of the work of the officers and voluntary collectors.

Collecting boxes for the Building Fund brought us £20/13/6.

We feel that it is our duty to draw special attention to the fact that there is still a debt of £780 on the Building Fund of the Hospital, and still more distressing the deficit on the Maternity Block Fund amounts to no less than £6789. When we consider how useful this building has proved to no less than 177 mothers during this year it seems highly desirable that some effort should be made to clear the debt.

Our hard-working Porter, J. W. Pitchford, retired after 21 years' service. As a small appreciation of his faithful service he received a gift of £24/10/0 and other gifts from the medical and nursing staff.

Our special thanks and appreciation are due to our Matron who, despite the war-time difficulties with Nursing and Domestic staff, carries on filling whatever gap arises, whether that of theatre sister, midwife, probationer, or cook, etc., in addition to her own duties. Unfortunately this is at much deprivation of her personal off-duty time and rest. Still, she keeps the wheels turning and the machine goes on, thanks to her.

We take this opportunity of again expressing our great indebtedness to all donors and Subscribers; to the Cathedral Chapter, the Clergy and Ministers of this City for their constant help; the Rev. Preb. Cresswell (hospital chaplain) and other visiting Clergy for their ministrations; the Consulting Staff; the Medical, Surgical, Dental and Nursing Staff; Mr. Alec Thorpe for his continued help and interest in the garden; our Gardener who digs now for Victory as well as for pleasing the eye with beauty; our Secretary, Mr. H. Webb, and his assistant.
